Work for a fun, growing Independent Jewelry Store in the great Wayzata community. We are looking for someone who loves working with people and appreciates jewelry. Our culture is that we are moderately structured and organized. Not strict like a large organization yet not loose as a mom & pop shop. If you are great with people and like to have fun while you are at work this may be the right fit for you.

PART OF THE WAYZATA COMMUNITY SINCE 1951

Graham Jewelers is a family-owned and operated store with more than a half-century in the Wayzata community. What began in 1951 as Miller's Jewelry became Graham Jewelers in 2003. With decades of industry experience and genuine enthusiasm for creating a great experience for every customer, the Graham Jewelers staff have created a beautiful, warm and welcoming environment.

Graham Jewelers' Mission is to educate the consumer on fine jewelry, simplify the buying process, and make it an enjoyable experience so they refer others who are in a similar situation to theirs. By becoming recognized in the community as an ethical jeweler, an expert in the industry, and providing the best value, we will earn the repeat and referral business necessary to build a successful company.
